Fort Myers Beach is a great place to visit. Whether you like to sail with dolphins or lay out on the beach, Ft. Myers Beach is the place to be.

Use the trolley stop in front of Eden House to reach island restaurants, bars, souvenir shops, and open-air cafes. Eden House is located near the south end of Estero Island, far enough from the bustle of the Times Square shopping area to provide a quiet retreat during your stay.

Front Room Overlooking Gulf

Our condo is a spacious end unit that lets brilliant Florida sunshine into every room. Thanks to the great location, the Gulf can be seen from nearly every room. The best place to watch the sun set is from the comfort of the beachfront lanai.

When not sampling the seafood cuisine of local restaurants, you can prepare your food in a fully equipped kitchen. You can pack light thanks to the washer and dryer. Cushy recliners in the front room make for a relaxing place to read.
